## COACHING

I work with writers and filmmakers who want to get noticed and paid. The key is your AUTHENTIC LENS.

AS SEEN IN

## Let's Work Together

Hollywood buyers are looking for one thing—something **NEW**.

When you tell a story that **ONLY YOU** can, you **CREATE** a **NEW** thing.

I call this process Creating Through Your **AUTHENTIC LENS**.

Once you tap into your **LENS**, you can effectively pitch, produce, and package projects in Hollywood.

Your Lens gets you noticed and paid.
